CAUSE

Ruben Guzman failed to report for random urinalysis testing on January 19, 2008. This is the sixth failure to report for substance abuse testing in last 6 months. Despite ongoing verbal reprimands, and lengthy discussions between the defendant and the undersigned officer, Mr. Guzman has demonstrated a pattern of failing to comply with the testing conditions. Although there has not been any additional evidence that would suggest drug use, the concern remains when an offender fails to report for urinalysis testing. The imposition of the above condition is an appropriate sanction to address Mr. Guzman's failure to report for random urinalysis testing, which he has agreed to, as evidenced by the attached signed waiver of hearing to modify conditions.

I declare under penalty of perjury that the foregoing is true and correct.
